

## Sioux County Community Health Improvement Plan 2023-2026

### Need #3: Health Care Access

<b>Goal</b>	<b>Ensure that all who live in Sioux County have access to needed community and health care services</b>	
<b>Objective</b>	<b>CHP will evaluate policies and procedures to ensure planning, outreach and programming reflect social determinants of health, culturally and linguistically appropriate services, and health equity by the end of FY25</b>	
	<b>Strategies:</b>	CHP staff will maintain up-to-date education on social determinants of health, health literacy, ACEs, culturally and linguistically appropriate care, and trauma-informed care practices
		Review and revise CHP Policy Manual and obtain CHP board approval
<b>Objective</b>	<b>CHP will work with community partners to identify barriers to accessing health and wellness services and increasing access to the needed services through facilitating 4 Joint Provider meetings, 5 Healthy Sioux County meetings and 1 Population Health Team meeting in each fiscal year through FY25</b>	
	<b>Strategies:</b>	Promote community partner participation in Joint Provider and Healthy Sioux County meetings
		CHP Community Resource Specialists will record referrals made and resources needed (including those not available in the county) and the data will be shared at coalition meetings
		Population Health Team (CHP and Sioux County health care systems) will collaboratively evaluate how they address social determinants of health, health literacy and health equity within their systems and collaboratively
		CHP will maintain and continually update Community Resources Guide on their website and promote the Community Resources Guide among the public and among community partners
<b>Objective</b>	<b>CHP will continue to develop and support the roles of Community Resource Specialist and Community Health Worker through FY25</b>	
	<b>Strategies:</b>	CHP will support Community Resource Specialist and Community Health Worker staff through ongoing reflective supervision and promotion of self-care
		CHP Community Resource Specialists will connect individuals to needed community resources
		Community Health Worker will expand Preschool Navigation program to increase enrollment in preschool programs
		CHP staff will facilitate Escuelita Familiar (Family Literacy) classes and Summer Boost sessions to support non-English-speaking parents' involvement in their child's education
